Wickstead Didgeridoo's sire **MAYHILL (NZ)** has been one of the most popular stallions in the UK, notable for his eventing progeny including **PRIMMORE'S PRIDE** (Pippa Funnell) a BYEH champion in 1998, winner of Badminton, Burghley, Kentucky and Le Lion D'Angers CCI's and a consistent British Team member. **MAYHILL** himself, was 6th at Saumur CCI 1994, 9th British Open Championship 1994 and reserve for The Hague World Championships.

His dam, **GLENWHERRY**, herself a successful intermediate event horse on the British Eventing circuit, is by **GLENBAR** out of **KELTER** who competed at Badminton, Burghley and the Barcelona Olympics. With such top event blood through both his paternal and maternal bloodlines, **WICKSTEAD DIDGERIDOO** is sure to be a future champion both competitively and at stud.

WICKSTEAD DIDGERIDOO has inherited his father's good looks and top class conformation, combined with a "can do" approach to his work and showing talent in both dressage and jumping. He has evented successfully through the grades and was placed 3rd in the advanced at Highclere on only his third run at this level. He is proving to be an exciting prospect for the future.

Progeny
